

## TOWNHALL MEETING ACS (Tengah)

**W**e have heard many of your strong voices through the survey results regarding ACS (Tengah) — we are grateful that more than 2,200 of you responded! The Tengah Feedback Committee invites you to a special Town Hall to share the results of the survey and have an open and constructive discussion (open to ACS alumni and stakeholders only) to elicit further feedback and views in respect of the announcement of the establishment of ACS (Primary) at Tengah. The matters discussed, your feedback from this Town Hall and the findings of the survey will then be collated and presented to the ACSOBA Management Committee and the ACS Board of Governors.
